

§10104. Annual Report of Inventory.

Each claims administrator shall maintain, and shall file with the Administrative Director, an Annual Report of Inventory for each of its adjusting locations. The report shall be filed annually by April 1. It shall include the name, address, and telephone number of the adjusting location and the name and title of the person responsible for audit coordination. Reports due on or after April 1, 2003 shall report, as of the preceding January 1, the numbers of indemnity, denied, and medical-only claims reported to the claims administrator during the preceding calendar year for insurers and private self-insured employers, or fiscal year for public self-insured employers. If the administrator adjusts for more than one entity at that location, the report shall give the total numbers of claims at that location and shall also identify the numbers of claims for each self-insured employer or insurer liable for the payment of compensation. ~~A copy of both sides of part three of the Self-Insurer's Annual Report, "Liabilities by Reporting Location," may be substituted for each self-insured employer or self-insured client of a third party administrator in lieu of separately listing data for that entity.~~
